

HISTORIANS TO GET FACTS ABOUT BRIDGE

Adams County's historical society, meeting Tuesday evening at the court house, expressed interest in becoming custodian of a wooden covered bridge—but decided to investigate first before accepting such a responsibility.

A committee comprising Dr. W. E. Tilberg, Dr. William C. Darrah and G. Henry Roth was appointed by President Clarence D. Deardorff to find answers to a number of questions and report back at the March meeting.

The state, according to a letter read at Tuesday's meeting offers the Peepytown bridge, near Hampton, to the society for preservation as a historic landmark. The state plans to replace the 190-foot structure over the Conewago, and it will thus revert to the townships involved. Reading and Hamilton, but if the society is willing, its maintenance can be turned over to the historians.

Seek Information

Among questions for which answers will be sought during the month are: "If we much does it cost annually to keep a covered bridge in good repair? Does ownership of a bridge mean ownership of the approaches and what maintenance would be required there? Can liability insurance be secured on a covered wooden bridge and how much does it cost? Is it true, as stated by the state Historical and Museum Commission, that the state plans to renovate and repair the bridge before it is turned over to the society? What help if any could the county commissioners give toward the project under new laws permitting county commissioners to preserve historical sites? What is the opinion of the supervisors of the two townships involved concerning preservation of the old bridge? Can insurance be obtained against possible vandalism, and how expensive would it be? What happens if the bridge burns, or is wrecked by a storm—who cleans up the debris?"

Talk About Two Bridges
The society had started its discussion by talking about the possibility of eventually preserving two bridges—the Peepytown bridge and, if the state ever abandons it, the bridge across Marsh Creek at the pumping station. It concluded its discussion by agreeing that it needs a lot of answers before making an decision about taking over one bridge.

ANNUAL GIRL SCOUT RALLY HERE MAR. 12

Plans for marking the 48th anniversary of the founding of Girl Scouts in the U.S.A. during Girl Scout Week were outlined Tuesday evening at a meeting of the Adams County Girl Scout Council in the Scout office in the First National Bank building.

Mrs. J. B. Collins, program chairman, told of plans for the Juliette Low rally to be held March 12 from 10 a.m. until 2 p.m. marking the end of the Girl Scout Week observance.

The program for the rally will include songs, seven skits by seven troops publicizing the aims and ideals of Scouting through special activities, a film on the roundup to be shown during the lunch hour and a flag ceremony. Mrs. Collins said that instead of the annual troop flag ceremony this year there will be only a short ceremony presenting the American, United Nations and representative troop flags.

Mrs. M. Hardy Nichols reported an enrollment of 158 Scouts and 41 adults during January. She announced that an advisors' training program for neighborhood service teams will be held February 15 and 16 at Lancaster with Miss Alice Rote as instructor.

The finance chairman, Mrs. Clark Smith, reported \$2,931.13 has been received so far in the county campaign for \$4,051.90. Returns from the solicitation are incomplete, she said. The county drive extends to the area not covered by the Gettysburg Community Chest which raised its share for the support of the Girl Scouts last fall.

Driver Charged In 3-car Accident

L. J. Malehorn, Halifax P. 1, has been charged by state police with failing to yield half the highway in an information signed before Justice of the Peace John O. Whitman, Cumberland Twp., Tuesday. Malehorn was one of the drivers involved in a three-car crash in the fog on the Emmitsburg Rd. January 29.

State police also have charged Julian J. Briggs, Fayetteville, with driving a truck 60 miles an hour in a 40-mile zone. That charge also was placed before Justice Whitman.

The justice of the peace has sent 10-day notices to both drivers.

FARM MEETING WILL BE HELD ON THURSDAY

A farm meeting will be held by the Agricultural Conservation and Stabilization Committee at the York Springs High School Thursday evening at 7:45 o'clock to discuss various phases of the annual conservation program.

Representatives from the ASC office, county agent's office, Soil Conservation Service and the Forestry Service will be present. They will discuss land use, conversion of corn stored on the farm to cash, drainage, ditching, tiling, terracing, contour and strip cropping, details of the soil bank conservation reserve, wheat allotments, and making soil samples. J. Glenn Miller, ASC office manager, said.

The program is being planned by the York Springs ASC Community Committee, Charles Reinicker, Walter Harbold and Clay Snyder and the county ASC committee, Carson C. Lamberson, George W. Stock, and Myles E. Starnes.

To Serve Refreshments
Refreshments will be served following the meeting.

Mrs. Eisenhower Sends R. C. \$100

Mrs. Dwight D. Eisenhower has sent the Adams County Red Cross chapter her annual contribution of \$100 toward the 1960 fund drive to be conducted in March by the Red Cross. The county goal for the 1960 drive is \$8,445.

The first contribution toward the '60 campaign came from Thomas Bateman, Philadelphia, a former resident of Adams County. He sends a \$100 check each year to the Adams County chapter. He is a native of the York Springs section.

Other early contributions to the upcoming fund drive include \$100 from the Alvine Brick Co. and \$200 from the C. N. Myers foundation.

President Gratified With U.S. Missile Progress; Opposes Constant Alert

WASHINGTON (AP)—President Eisenhower today called America's missile development record quite gratifying. He rejected proposals for an around-the-clock bomber alert.

At a news conference, the President sided vigorously with Secretary of Defense Thomas S. Gates Jr. and Gen. Nathan F. Twining, chairman of the Joint Chiefs of Staff, in their differences with Gen. Thomas S. Power, head of the Strategic Air Command.

Eisenhower rejected Power's call for a continuous airborne, bomber alert, and also the general's contention that the United States faces the danger of having its retaliatory striking force knocked out by Soviet missiles.

A Bit Irritated
Eisenhower seemed to be a bit irritated when talking of Power's differences with Gates and the joint chiefs.

Too many of these generals have all sorts of ideas, he said. The President warmly praised

Semifinalists In Spelling Bee

Six semifinalists of the Gettysburg High School spelling competition are all smiles as they pose for photographs in the studio of radio station WGET Tuesday afternoon following a "spell-down." The six outlasted eight other students in spelling ability to earn the right to appear in a similar program Thursday afternoon. From left to right they are: Nancy Kuhn, Stephan Bream, Jane Eiker, Robert Holabaugh, Anne Weinberg and Susan Swope.

STUDENTS TO VISIT ADAMS COURT HOUSE

The Adams County Bar Association again will sponsor tours of the court house for the Ninth grade students of Adams County, plus an essay contest on the theme: "My Impressions of the Court House Tour." Assistant County Superintendent of Schools M. Francis Coulson has notified the school administrators.

The scheduled for visitation to the court house includes: Monday, 9 a.m., Biglerville; 1 p.m., Fairfield; Tuesday, 9 a.m., Biglerville; 1 p.m., Gettysburg; Wednesday, 9 a.m., Berks; 1 p.m., Gettysburg; Thursday, 9 a.m., Berks; 1 p.m., Gettysburg; Friday, 9 a.m., Berks; 1 p.m., Gettysburg. Littleton and New Oxford students visited the court house last October.

Essays on "My Impressions of the Court House Tour" are to be limited to 300 words and teachers are requested to select the three best essays from their schools and forward them to Attorney John A. MacPhail, 104 Baltimore St., prior to May 20, Coulson said.

Cash prizes of \$15, \$10 and \$5, for first, second and third place respectively, will be awarded the three best essays chosen by a committee from the bar association. The first prize winner in Adams County will be entered in the state bar association contest where the prize is \$250. Last year the Adams County winner won second place in the state event.

Roth Interview Will Be On TV

A taped interview detailing efforts to obtain funds for purchase of land for the Gettysburg Battlefield will be presented Saturday afternoon at 2 o'clock on a Lancaster television station. The 15-minute program features conversation between Jim Cox of the TV station's news staff and G. Henry Roth, Gettysburg, a director of the Gettysburg Battlefield Preservation Association, plus films of the Gettysburg Battlefield.

No Defeatism
A reporter asked whether Eisenhower feels there is a basic danger of defeatism developing among the American people.

He replied there is none in his soul, he would say that. The news conference dealt also with these matters:

POLITICS—Eisenhower spoke warmly once more of Vice President Richard M. Nixon, but again withheld specific endorsement of Nixon for the Republican presidential nomination. However, the President added he wanted to make it perfectly clear that he is not dissatisfied with, as he put

Lions Club Tours College Building

The Fairfield Lions Club toured the new Student Union Building at Gettysburg College Tuesday evening through arrangements by club president, Glen Shriner. Bus transportation was provided by the club's guest, Stanley Sharrar, president of the newly organized Cashtown Community Lion Club. Before the tour the group met at the Lutheran parish house, Fairfield, for a roast beef dinner served by the Ladies of Zion.

During the dinner meeting, zone chairman William Schultz said, Fairfield was the top club in District 14C in points and evaluation recently calculated. Shriner said the next card party would be held Wednesday, February 10, at the Fairfield High School cafeteria at 8 p.m. The committee for the party will be composed of: Calvin Riley, Wilbur Sites, Maynard Stuckey, Francis Timlin, Howard Biehl, J. B. Waddle, Thomas Jackson, Carl Filsinger, Guy Donaldson and Donald Bucher.

EARLY HISTORY OF U. S. TOPIC FOR DR. TILBERG

The French—unknown to themselves—provided a great deal of impetus toward establishment of the United States as an independent nation, according to a talk on the "Foundations of the Nation" given by Dr. W. E. Tilberg, dean emeritus of Gettysburg College, before the Adams County Historical Society Tuesday evening at the courthouse.

The program was jointly sponsored by the historical society and the Gettysburg chapter of the Daughters of the American Revolution and many DAR members attended.

"The 13 colonies, beginning with the settlement of Virginia in 1607 and ending with the founding of Georgia in 1733, had governments based upon their charters—but local needs had changed the original character of those governments. The colonies had been permitted by England to govern themselves to a large extent because of their distance from England and because the mother country feared that too drastic enforcement of unpopular laws might cause the colonies to ally themselves with the French in Canada." Dean Tilberg said.

"In addition the French and Indian War, brought on by the moving of the American colonies into the rich lands beyond the Alleghenies, land claimed by the French, had developed the basis for an eventual American Army and also had convinced the colonials that they were the match for the British soldiers. The French and Indian War served as a splendid training school for both officers and men of the American Army of the future." (Continued On Page 2)

FUGITIVES GET YEAR IN PRISON

John Paul Washam, San Antonio, Texas, and Edgar Golden, Galveston, Texas, both wanted here for prison breach, conspiracy and aggravated assault and battery in connection with breaking out of the local jail in December, have been sentenced to a year each in the Virginia state prison and face other charges in two Virginia cities before they can be returned here. Sheriff Dawson Miller has been notified by Virginia authorities.

According to a letter received by the sheriff, from Curtis R. Mann, director of Virginia's Bureau of Records and Commitments, acknowledging the detainees and warrants from Adams County, the two men were sentenced January 14 at Staunton, Va., to a year each in the Virginia State Prison at Richmond, Va., on a charge of "grand larceny of auto." On March 14 they will be eligible for a parole hearing and on August 14 "with good time credit" could be discharged from the year's sentence on the auto theft case.

The letter states however that Adams County's detainees are "in third place." The two men, after they complete the auto theft sentence, face additional charges in Harrisonburg and Staunton before they can be turned over to Adams County.

STOCKS SLIP BACK

NEW YORK (AP)—The stock market recovery ran into profit taking early this afternoon and prices turned irregularly lower. The rebound from the steep January decline flourished for most of the first hour of trading and then prices began to slip below their best.

The market by turns became irregular and then lower as trading slackened.

Student Union Building Open For Inspection This Evening

Tonight, Gettysburg College will open its Student Union Building to the public with an open invitation to everybody to inspect this newest, largest and most beautiful building on the expanded campus.

Members of the Citizens Advisory Committee and others will escort visitors through the spacious structure. Swimming and bowling events will be in progress and other facilities will be in operation for the large crowd to view at close hand. Refreshments will also be served.

The recent sound, color film on Gettysburg College, with the narration by Dr. Harold Dunkelberger, will be shown continuously throughout the evening.

The "open house" will continue from 7 until 11 o'clock.

Statement From President

General Willard S. Paul, president of Gettysburg College, today issued the following statement with reference to the new Student Union building:

"Soon after my appointment as president of Gettysburg College almost four years ago, I sensed an urgent need for a place where our students could satisfactorily engage in extracurricular and spare-time activities.

"Other than some few scattered facilities in the Student Christian Association building and in fraternity houses, we had nothing of

Come See Us

Gettysburg College numbers among its most loyal supporters its neighbors in the community and Adams County.

The college is therefore pleased to welcome warmly these friends to an open house planned especially so that they may inspect our new million-dollar Student Union building tonight from seven to eleven o'clock.

I cordially invite each reader of The Gettysburg Times to bring a friend or two and share a pleasant hour with us in this magnificent new building.

a recreational nature to help occupy our 1,600 students during weekend and spare moments. As a result, many were leaving the campus unnecessarily.

"The board of trustees of Gettysburg College joined me in this feeling and adopted my recommendation that the college erect a Student Union building such as is found on many other college and university campuses.

"Enjoy It With Us"
"Now we are pleased to have up-to-date facilities designed primarily for the students and being used to the fullest extent. For instance, we have an excellent swimming pool replacing one that was inadequate long ago.

"After two years of planning and construction, we at Gettysburg College are extremely happy to see the Student Union building completed and flourishing in its operation.

"We want Gettysburg and Adams County residents and friends of the college everywhere to know about the Student Union, to see it, and from time to time to enjoy it with us."

New Traffic Safety Program Made Effective On March 2; Examination Every 10 Years

By FRED B. WALTERS
HARRISBURG (AP)—A new traffic safety program aimed at the chronic violator and the physically incapable driver goes into effect in Pennsylvania March 2.

Gov. Lawrence announced the plan at a special news conference Tuesday.

In putting the new program into effect by administrative order, the governor bypassed the Legislature which had pigeonholed it in the 1959 session.

Its principal features include: A revised system of penalties, classified according to severity.

Re-examination of all drivers with two serious violations within a year.

Medical examinations every 10 years, starting in 1961.

Experimental use of radar by state police in what was termed an educational campaign to win public support.

Safety Commissioner
Creation of a commissioner of traffic safety.

A campaign by the health department to encourage use of chemical tests for drunken drivers.

Ladies Are Guests Of Exchange Club

Richard Shaffer served as master of ceremonies in a take-off of the television program "The Price Is Right" at the Exchange Club's Ladies' Night program at the Five Star Restaurant Tuesday evening.

Shaffer conducted the patterned program until all 14 ladies present had won a prize.

President Phil Neth "started" the 41 present with his threatened "scholarly dissertation on groundhog day" before introducing Mr. and Mrs. Paul L. Roy and the club's most recent members, Jack Gable and Merville Zinn.

Carol Smith offered the benediction before the roast beef dinner.

DAHLSTROM IS FIRED FROM POLICE POST

Lt. Col. A. F. Dahlstrom, deputy commissioner of Pennsylvania State Police, was dismissed from his post by Col. Frank G. McCartney, commissioner, after he had refused to resign. His dismissal is effective at midnight tonight.

Lt. Col. Dahlstrom, then a sergeant, commanded the local two-man state police barracks here in the mid-twenties. Russell Frutchev was the other trooper assigned here at the time. Later the force was augmented by a third and still later by a fourth officer. The barracks occupied one-half of the second floor of the Topper building next to the court house. It served as office and sleeping quarters for the men.

Capt. Charles Hartman, commander of Troop A, Harrisburg, is expected to be promoted to deputy commissioner to succeed Dahlstrom. Hartman, a veteran member of the force with nearly 30 years of service, is a native of Schuylkill County.

40 Years Of Service

Dahlstrom was removed after he refused to resign so that he (McCartney) "might be afforded the opportunity of appointing a deputy commissioner of his own choosing." He added there were no personal implications involved. "I regret that your reluctance to resign your office has made this action necessary," he said in a letter of dismissal to Dahlstrom.

Dahlstrom, 64, a native of McKeesport, joined the state police force in 1920 and has served as deputy commissioner since June of 1956. He also was acting commissioner during the latter part of the Leader Administration.

The outgoing deputy said he knew of no conflict between himself and McCartney. He said the commissioner asked him to resign Jan. 13 but promised to reconsider after Dahlstrom refused.

"I wouldn't resign. I've always done my work and have no reason to resign," Dahlstrom said. "The next thing I knew, when I came back from lunch today, the letter was on my desk in an envelope marked confidential."

Col. McCartney said he had spoken to Dahlstrom several times before Jan. 13 and told the deputy of the dismissal decision Tuesday morning.

DR. WILBAR TO DELIVER HEART LECTURE HERE

Dr. Charles L. Wilbar Jr., Pennsylvania's secretary of health, will deliver the sixth annual public lecture to be presented under auspices of the Adams County Heart Association Monday evening, February 22, in the Gettysburg High School auditorium.

The public is invited to attend. No admission will be charged.

Announcement of plans for the annual event was made by the Rev. Charles E. Held, executive secretary of the association and the chairman of its annual February campaign for funds.

In his annual appeal for donations to the county association to be used in research in heart diseases and in service to victims of heart disease in this county, the Rev. Mr. Held said:

Fight Costs Money

"The American people have been aroused to the magnitude of the threat of heart disease to the health of the people of every community in our country. Research has made a wonderful advance—new drugs are being made available and heart surgery is saving many lives.

During the past ten years, more than twenty-five million dollars have been spent in research and in the fight against this dreaded disease. It costs money to continue this fight and find the cause, and effect the cure. Your Adams County Heart Association has served many people during the past year who have been cardiac

EARLY HISTORY

(Continued From Page 1)

During the closing weeks of the war more than 20,000 Americans were under arms."

Learned Our Strength

The French and Indian War, fought at first by the colonists alone, "developed the respect of colonials for other colonials and nourished the spirit of cooperation."

While the "British regulars and the British generals looked with contempt on the 'raw colonial bores' and General Wolfe, the hero of Quebec, referred to them as 'in general the dirtiest, most contemptible, cowardly dogs that you can conceive,' the colonials had learned that they themselves were great fighters and that in this virgin territory, man for man, the colonials were the equals of the British soldiers. The myth of British invincibility had been shattered."

Growth of Colonial Rights

"Most important of all, when the French and Indian dangers on the north and west had been removed, England and her colonies faced each other without fear of intervention by a third party. Their differing points of view were quick to develop. England had incurred a large debt during the war and the cost of colonial administration—the payment of royal governors, judges and other royal officials, was a heavy burden."

Parliament decided to quarter 10,000 soldiers in the colonies to keep order and protect against Indians. It also passed the Stamp Act of 1765. "The British government expected some opposition to this tax but it was not prepared for the outbreak which followed both in Parliament and in the colonies." Virginia passed, by four votes, a series of resolutions contending that the colonists through their own assemblies had the exclusive right to tax themselves and were not bound by any law designed to impose any taxation not of their own making.

With William Pitt arguing that Parliament had a right to impose "external" taxes such as tariffs, on the colonies but not "internal" taxes, such as the stamps, the Stamp Act was repealed. This was followed by the Townshend Act of 1767 which was an "external tax" levying import duties on tea, glass, paper, lead and other items to pay the salaries of royal governors and other officials appointed by the crown. For years the colonists had argued that they, rather than the English government, should pay the officials so that the officials would be loyal to the colonies rather than the crown. When the Townshend Act was passed the colonists had reached the point where they were prepared to argue that Parliament had no right to tax them at all.

Moved Toward Independence

"Parliament held that eight-ninths of the people in England could not vote, yet the House of Commons represented them as it did the people of England wherever they lived, even in America. This idea however was incomprehensible to Americans. There was violent reaction in all the colonies culminating in Massachusetts in a clash between citizens and soldiers known as the Boston Massacre and in the Boston Tea Party.

"Now England lost her patience. Private property had been destroyed. The stubborn and irascible George III, who had come into complete control of England, decided Massachusetts must be punished. The net result of the crown's effort to punish one colony was to create a great spirit of union among all. One of the most important outcomes was the calling together of the first Continental Congress on September 5, 1773. It was not a constitutional body and it had no legislative authority, but its membership included many of the outstanding leaders of the colonies and the people were willing to follow their leadership. The Second Continental Congress that met May 10 was again not a legal or constitutional body, it was only a great committee gathered to represent the colonies in dealing with the crown. When the king refused to receive its petition, it declared the colonies in a state of rebellion, increased the British Army in America to 10,000 men and hired thousands of Hessians to fight in America. The colonists knew that war was to follow. It would be either subjugation or independence and the Second Continental Congress assumed the functions of a national government until the end of the war."

The speaker described the writing of the Declaration of Independence, the government under the Articles of Confederation and the eventual writing of the Constitution.

Woman Hurt When Auto Hits Wagon

Mrs. Robert Haver, about 32, Thurmont, has been admitted to the Warner Hospital after suffering injuries Tuesday when the auto she was driving crashed into the rear of a wagon loaded with saw dust near Thurmont.

driver take a new physical every 10 years until age 60 and every five years thereafter.

Presently, plans call for motorists to be examined by their own physicians. Dr. C. L. Wilbur, secretary of health, said the examination could be made at a brief office visit.

Drivers with two serious—or Class A—violations in one year will be sent to a "safe driver clinic" for a new driver's test. These clinics will be established at state police headquarters in Harrisburg, Erie, Bethlehem, Montoursville, Hollidaysburg and Wyoming at a cost of \$68,000. Two already are in operation, at Philadelphia and Pittsburgh.

The state police expect to begin use of radar in April or May. Commissioner Frank G. McCortney, one of several Cabinet officials on hand at the press conference to explain the highway program, said 19 units will be used.

Radar For Warning

State police will stop drivers whom the radar device indicates are speeding. But, since radar is not legal evidence for a speeding conviction, the motorist will simply get a warning.

"This program will make Pennsylvania foremost in the field of traffic safety," Lawrence said. "It will incorporate the most far-reaching concepts in effect in any state. We are placing before Pennsylvania's approximately five million drivers the toughest, but also the fairest and most equitable program anywhere in the United States."

The Pennsylvania Motor Federation (AAA) described it as "a practical approach to driver improvement" in a statement issued by secretary-manager C. E. Pugh.

Other Features

Other features of the program: The use of a new, foolproof state police traffic ticket, effective today.

A recommendation to establish a system of traffic training schools in every county in the state similar to those already operating in Luzerne and Allegheny counties.

Expansion of traffic engineering by the State Highways Department, with emphasis on road markings and signs.

A series of traffic safety conferences and safety seminars in an effort to win support for improved safety at the local level.

Information of an interdepartmental safety committee to promote safety among drivers of state-owned cars.

Study of commercial vehicle lighting standards aimed at uniformity.

Ask About Markers

Discussion was held on whether a form letter should be printed to express appreciation for articles given to the society. The society voted that individual letters "are best and should be continued until the influx of gifts becomes too heavy."

The secretary was instructed to write the state to determine status of a request made two years ago that the oldest road in the county, the Monocacy Trail, and the location of Digges Choice be marked by the state.

Members of the DAR were guests at the meeting.

Bigler Scouts Seek Old Style Uniform

Boy Scouts of Biglerville Troop 71 would like to borrow an old style Scout uniform. They prefer one of the vintage of 20 or more years ago. The Scouts are planning a window display during Boy Scout Week and their plans call for modern and old style uniforms. If anyone has such a uniform and wishes to lend it to the Biglerville youths they are asked to call Donald Stauffer, Biglerville, or Jere Lady, York Springs.

LIONS ARE TOLD ABOUT WRESTLING

The Upper Adams County Lions Club held a regular meeting Tuesday evening in the Biglerville school cafeteria with the president, Roy Starnier, presiding. Special guests were the executive officers of the Biglerville Fire Company who were introduced by the company president, Robert Baker.

The program was planned by the membership committee which includes Arnold Orner, chairman, Harry Reeve, Rev. Dr. O. D. Coble and S. A. Ehlman.

The program was an explanation of the sport of wrestling. John Toggas, teacher at Biglerville High School and coach of the wrestling team, explained different procedures and techniques of wrestling with two of the members of the squad present to demonstrate the lecture. The students were Arthur Miller and Timothy Geiger. Both of these boys have been undefeated so far this season in league competition.

Toggas said: "Wrestling, as a sport, is very popular with the smaller boys who find it hard to compete with bigger boys on team sports such as basketball, football and baseball. Wrestling is an individual sport where boys compete with boys of equal weights."

The Lions Club has collected 525 pairs of glasses for Dr. Modi who is doing extensive work in the area of sight conservation in India. The secretary, Donald Bossman, announced the annual district meeting for District 14-C which will be held on Thursday, March 24, at the Scottish Rite Consistory Building, Harrisburg. Finis E. Davis, first vice president of Lions International, will be the speaker. Tuesday, March 1, was announced as the Charter Night for the newly-organized Cashtown Lions Club.

The civic committee, community betterment committee, and finance committees of Upper Adams Lions Club are continuing to study information on possible construction of a community swimming pool. The members of these committees are investigating the project from all angles, particularly cost, and should they feel that the project is worth attempting they may recommend such action to the Lions Club.

The next regular meeting will be held on Tuesday evening, February 16, when the sons of Lion members will be guests.

The Biglerville PTA will meet Monday evening at 7:30 o'clock at the Biglerville Elementary School. The school board is in charge of the program. They will discuss the building program, curriculum and the athletic program. Children will be entertained with movies.

The Society of Farm Women of Adams County, Group One, will hold its February meeting Friday evening at 7:30 o'clock in the form of a Valentine party at the home of Mrs. Lester Starnier, Gardners R. 1. Each member is asked to bring a guest and two decorated boxes containing refreshments.

Couple Observes 50th Wedding Anniversary

This is the golden wedding day of Mr. and Mrs. Mervin I. Weikert, Gettysburg R. 2.

The event was celebrated Sunday at the Zion Lutheran Church parish hall in Fairfield when 100 friends and relatives gathered to offer congratulations.

It was at 2 o'clock on the afternoon of February 3, 1910, that Miss Blanche Everhart and Mervin I. Weikert, identified in newspaper accounts of the wedding as a "successful young farmer" of near Fairfield, were united in marriage by the Rev. J. B. Baker.

The ceremony took place at the home of Mr. and Mrs. Harvey D. Bream, near Fairfield. They were attended by Miss Marie Everhart, a sister of the bride, and J. Howard Bream, Mrs. J. B. Baker played the wedding march. Later they took the 4 p.m. train for Philadelphia, Atlantic City and Washington on their wedding trip.

At Sunday's reception, the couple cut a big wedding cake topped by a miniature horse and buggy. The color scheme for the hall decorations was gold and white. Flowers, candles and gold ribbons were used in the decorations.

Both Mr. and Mrs. Weikert are 76 years of age. Their children

Wedding

Hovis—Kipe

Miss Janet Irene Kipe, Fairfield R. 1, was united in marriage to Robert Eugene Hovis Saturday afternoon. The double ring ceremony was read in the Methodist Church, Waynesboro, by the Rev. John Frehn, in the presence of 75 guests.

Miss Jane Martin organist, and Raymond Golland, Greenstone, gave a pre-nuptial recital of traditional wedding selections before the ceremony and The Lord's Prayer was sung during the ceremony.

The bride is the daughter of Mr. and Mrs. Robert J. Kipe, Fairfield R. 1, and the bridegroom is the son of Mr. and Mrs. David S. Hovis, Waynesboro.

Given in marriage by her father, the bride chose a beige faille street length dress with beige hat and veil and matching satin slippers. She carried a Bible topped with a lavender orchid.

Mrs. Jean C. Cline, sister of the bride, was maid of honor. She appeared in a dark green floral, nylon over taffeta street length dress, and wore brown accessories. Her nosegay was of white and green pompons.

John F. Hovis, Waynesboro, served as his brother's best man and two other brothers, David S. Hovis Jr. and Charles K. Hovis, Waynesboro, ushered the guests.

Mrs. Kline chose a navy blue crepe dress and gray accessories for her daughter's wedding and wore a corsage of pink rosebuds.

The groom's mother wore dark blue lace with matching accessories and wore a white rosebud corsage.

A reception was held following the ceremony in the social room of the church.

After a short wedding trip to New York City the newlyweds will reside in Waynesboro.

The bride was graduated from Fairfield Joint High School, class of 1955, and is employed in the accounting department of Landis Tool Co., Waynesboro. The bridegroom was graduated from the Waynesboro Area High School class of 1955, and is employed in the inspection department of the Landis Tool Co.

Brownie Troop 25 met Tuesday afternoon in Xavier Hall with 19 girls present. The girls made valentines for their mothers and cookies were distributed for the Girl Scout cookie sale. The leaders were Mrs. Paul Ramer and Mrs. Charles Kerrigan.

patients. Contributions have been made for research and community services.

"We are very grateful to industry, the churches, the schools, the clubs and organizations and to the individuals for your contributions and support in the past. Now, we will appreciate your support and contribution to the 1960 Heart Campaign. Make your check payable to the Heart Fund and send your contribution to me."

Lauded By Ike

President Eisenhower, in a message made public on the opening of the February Heart Fund campaign, praised the "vigorous work" of the American Heart Association in fighting heart disease.

"For more than a decade this association has been in the forefront of the campaign against diseases of the heart and circulatory system," declared the President. "Its vigorous work has earned wide praise and gratitude. I am confident that its programs in research, education and community service will result in further health gains for our people."

Mr. Eisenhower's message was addressed to Dr. A. Carlton Ernste of Cleveland, president of the American Heart Association, which, with its affiliates and chapters throughout the nation, has conducted the Heart Fund drive each February for the last twelve years. Mr. Eisenhower extended greetings to "the medical scientists, officers and volunteers of the American Heart Association."

Out Of The Past

From the Files of the Star and Sentinel and the Gettysburg Times

TWENTY-FIVE YEARS AGO

High Comedy Presentation
Pleasant Crowd A fair sized and appreciative audience attended the presentation of "Top of the World," a three-act comedy given by the students of the junior class of Gettysburg high school in the high school auditorium Friday night.

Miss Margaret Hoffman, cast as Barbara Castleman, carried the leading role in an especially commendable manner. Special mention must also be made of John Crouse and Rachael Everhart as Ted Castleman and Catherine Castleman respectively. Other parts were effectively portrayed by Mary K. Moticka, Marion Sheely, Francis Snyder, Reginald Zeigler, Rodney Sachs, Margaret Scott, James Harless, Edna Trimmer, Dorothy Brown, George Amick and Earl Stites.

Ten Students Are Honored
Initiating a tapping ceremony into its program of induction, the Pen and Sword honorary activity society of Gettysburg College honored ten students at the Junior Prom held in the Eddie Plank Memorial gymnasium. The presentation of the Pen and Sword Award was made by Dr. Milton H. Valentine, professor emeritus of English Bible.

Among the men elected to the society and honored Friday night were Senior Pen Edward B. Butler, Gettysburg Senior Sword W. Ramsay Jones, Littlestown and Edward J. Nowicki, Long Island, New York, Junior Pen J. William McElhenney, Gettysburg.

Seven Scantly-Clothed Residents Flee From Burning Home At 3 A.M.
Seven persons were forced to flee scantily-clothed when fire at 3:15 o'clock this morning badly damaged the historic double frame house at 49 and 51 Breckenridge street in which Mary Virginia Jennie Wade resided when the battle of Gettysburg began July 1, 1863.

The fire, which started from a defective chimney from a kitchen stove at the home of Fried E. Strickhouser, 49 Breckenridge street, was licking at the head of the bed in which Mr. and Mrs. Strickhouser were sleeping when discovered.

County Wide Birthday Party For President Is Huge Success
Here Adams county's party honoring the fifty-third birthday anniversary of President Franklin Delano Roosevelt, and adding 15 more to the hundreds of thousands of dollars raised through the nation for aid of plane paraplegics victims and research of a cure for the disease was a success.

Only capitals and silver were used in describing the birthday party held by residents of Gettysburg and Adams county at the Hotel Gettysburg Wednesday evening.

From every section of the county men and women came to honor the president and help the worthy cause. More than 350 persons were in attendance and proceeds from the affair are expected to net more than \$300 for airplane sales are reported.

Haines Asks New Lincoln Statue Here
A \$25,000 memorial statue of Abraham Lincoln, martyred Civil War president, whose most famous and briefest oration—Four score and seven years ago—was uttered when he dedicated the Gettysburg National Cemetery November 19, 1863, will be erected here in the National Cemetery here or on the battle field if Congressman Harry L. Haines of Red Lion has his way.

The official representatives of the Adams-York-Franklin counties district in congress has inaugurated a movement to ask congress to appropriate \$25,000 for the erection of a suitable memorial statue of Lincoln in Gettysburg.

TOOLS

Tools of any kind have always interested me. I like what they call gadgets. There is a store in my town that is filled with tools of almost every description. It is a fascinating display and I note a crowd about the place every day so I am probably an odd observer. My friend Herb Shriner is a collector of odds and ends. The last time I called upon him he was building a pipe organ in his home on the Sound. He is a wonderful lover of tools. I expect he may even erect a new kind of a skyscraper on his shore of the Sound. Nothing seems impossible to him which is characteristic of the Hoosier States type of human being. God love 'em and give 'em all the space they wish!

Well, now back to tools and gadgets. In the small Midwestern town where I was cultivated for work but not for fame I made up first with the carpenter then with the blacksmith the plumber the harness shop and a few odd ones. All these friends were kind to me but perhaps one of 'em thought he'd better keep an eye upon me because I might blossom out as a mechanic with a new way to the moon. I will bank on a boy with tools every day in the week. Tool lovers all make fine citizens. I hand die a useful tool as though it were a major work of art—as it is! But I don't want anything to do with tools or associated items that have anything to do with killing people.

Tomorrow Mr. Adams will talk on the subject "Your Reborn Self."

Self.

Just Folks

IN A HURRY

He jumped into his motor car
And opened up the gas
He hadn't journeyed very far
Before he tried to pass
Some one who drove a buzzing six,
And though at last he did,
He barely missed a pile of bricks
When he began to skid.

It must be life and death with him,
The way he tears along
Suppose a tire should jump the rim
Or something should go wrong!
But in and out he squirmed and turned,
Still putting on the power,
And down the crowded street he burned
At forty miles an hour.

At forty miles an hour he sped;
He seemed in dreamlike haste,
As one, along the road he fled,
Who had no time to waste
But with a final whizz and whirl
He stopped before a flat,
And went to call upon his girl,
And there he sat and sat.

CLASSIFIED LIST OF CODE VIOLATIONS

HARRISBURG (AP)—One of the principal innovations of the new schedule of penalties for highway violations announced Tuesday by Gov. Lawrence is the classification of offenses.

When the new schedule goes into effect March 2, offenses will be registered either as Class A (more serious infractions) or Class B (less likely to cause a serious mishap).

It will be a graduated system of penalties for one to six offenses, much like the previous system which it replaces.

Warning To One Year

The penalties for Class A violations vary from a warning to a one-year suspension. Most start with a one-month suspension, however. Penalties for Class B violations range from warnings (for the first two offenses) to 3-month suspensions.

The Class B penalties are milder than those applied to these offenses under the system instituted by former Gov. Leader.

Class B violations can not be combined with Class A violations or vice-versa. However, any driver with nine violations in a year regardless of class has an addition at one year suspension invoked.

Here's the breakdown on the classifications:

Class A

Speeding only if the motorist is driving 50 miles per hour or more no suspension provided even though the driver may be exceeding a speed limit) drunken driving six months to one year for suspension each offense prior to trial mandatory revocation upon conviction in court.

No operator's license learner unaccompanied by licensed operator incompetency misdemeanor manslaughter conviction.

Contributing to a fatal accident using fictitious or suspended license, lending license using another's license, failure to surrender license permit registration card etc. knowingly permitting a violation illegal inspection sticker sale or use, and illegal removal of inspection sticker.

Other Class A Offenses

Reckless driving racing, improper passing on curve or hill following too closely.

Passing school bus loading or unloading failure to stop at accident or to give information to other operator failure to stop after striking parked car or damaging property, coasting commercial vehicle.

Driving during suspension operating without owner's consent driving without lights to avoid identification or arrest.

Short Class B List

Besides the drunken driving of a motorist, a number of other Class B offenses require mandatory revocation upon conviction in court. These are a felony failure to stop and render assistance or to disclose identity at an accident unlawful possession of narcotics driving while license is revoked and run failure to supply information to other driver in an accident driving under the influence of drugs permitting a person to drive who is drunk or drugged.

Class B

Violating restrictions on license failure to renew license or obtain license after establishing residence in state too fast for conditions driving on wrong side of road passing at intersection or railroad crossing failure to yield right-of-way, improper overtaking or passing improper turning or signaling during through stop sign or traffic light stoppage on highway coasting by passenger vehicle.

Family Of Seven Overcome By Fumes

PITTSBURGH (AP)—Seven members of one family were overcome by gas fumes in nearby Etna early Tuesday.

Louis Dunderstadt, Etna police clerk, said he received a telephone call from Mrs. Kathryn Profozich, 42, asking for help because her whole family had passed out.

Ambulances from Etna and Sharpsburg took Mrs. Profozich, her husband, Stephen, 30, and their five children ranging in age from 11 to 18 to West Penn Hospital in Pittsburgh.

All were reported in good condition.

TAKE STAND ON PRESIDENCY

BUCK HILL FALLS Pa. (AP)—A Protestant church agency says the presidency should not be denied any citizen "on grounds of race, religion or ethnic origin."

In what it says is the first declaration of its kind, the Council for Christian Social Action of the United Church of Christ said Monday.

"To assume that no Roman Catholic should be president of the United States would amount to a denial of fundamental American principles and would infringe liberties guaranteed by the Constitution."

Conceding that citizens should inquire about a candidate's beliefs—including religion—and affiliations, the resolution added: "Religious affiliation must not automatically qualify or disqualify a citizen for any political office."

The crucial question is not what influences are brought to bear upon a president but how he responds to them. The interests of all religious and nonreligious groups must be taken into account by the president, whatever his personal religious affiliation."

DR. McRAE DIES

NEW YORK (AP)—Dr. James W. McRae, 49, vice president of the American Telephone & Telegraph Co. collapsed and died Tuesday on a sidewalk at 54th Street and 5th Avenue.

He was on his way to a scientific conference at the Savoy Hilton Hotel when he was stricken.

He was in charge of defense projects for the Bell System.

SEA LAMPREY IN SUPERIOR ERADICATED

OTTAWA (AP)—Canadian and U.S. scientists feel confident they are winning their battle against the sea lamprey that has been killing off the trout in Lake Superior.

For four years the scientists have been teaming up in a crash program to exterminate Lake Superior's lamprey colony and preserve the trout's last refuge in the five Great Lakes.

Using underwater electric shocks and a powerful spawning ground poison they have killed millions of the ugly bloodsuckers and now appear to have the upper hand. Ontario, Michigan, Wisconsin and Minnesota are cooperating in the restocking of the lake with hatchery-reared trout yearlings about 700,000 of them last year.

The scientists of the Great Lakes Fisheries Commission plan this year to use their techniques in Lakes Huron and Michigan and in Georgian Bay where the lampreys have virtually finished the trout population.

The lamprey, a primitive eel-like fish, has been in the St. Lawrence River and Lake Ontario for centuries. Measuring 1 to 2 feet it kills by fastening itself to a fish by the pointed teeth lining its circular mouth.

DOZING DRIVER DIES

SOMERSET Pa. (AP)—Harold E. Bell, 56, of Mountsideside N. J. was killed Tuesday night in a station wagon—truck crash on the Pennsylvania Turnpike seven miles east of here.

Bell traveling alone apparently fell asleep at the wheel, state police said. His vehicle hit the rear of a tractor-trailer operated by Shelton Hemstead, 33, of Cleveland, Ohio. Hemstead was not hurt.

He was in charge of defense projects for the Bell System.

LEGISLATURE SCRAPS OVER FEES MEASURE

HARRISBURG (AP)—Republican legislators Monday night defeated and then revived an administration request for permission to pay fees for help in collecting unclaimed estates.

House Republicans withheld all support of the measure when it came to a vote in that chamber. Consequently, Democrats, with a dozen members absent, were unable to muster the necessary 106 votes to pass the request. It fell 94-87.

A short time later, the Republican-controlled Senate Rules Committee agreed to take the substance of the administration plan and tack it on as a rider to another bill. It was then given preliminary approval in that chamber.

Ask \$200,000 Fund

The defeated House bill would have permitted payment of up to 25 percent of the money collected from unclaimed estates to informers, accountants, lawyers and others who assisted in the collection.

The Senate version would appropriate \$200,000 to pay these people for their services. Republican leaders claimed the 25 percent allowance in the original house version could have been too liberal with collections running into millions of dollars.

The administration has launched an intensive program to uncover unclaimed estates, which by the legal process of escheat, go to the state. It estimates this campaign will boost revenue by two million dollars this biennium. That already is counted in administration estimates of total revenue that will come into the state treasury in the biennium.

"Encourage Snooping"

Rep. Albert W. Johnson, Republican floor leader, opposed the bill in the House on the grounds it would "encourage snooping all over the state" and would give the Revenue Department a blank check to pay out fees. Some Republicans said they feared the Democratic administration would use the fees for political patronage.

Chairman J. Dean Polen (D-Washington) of the House Appropriations Committee claimed failure to pass the bill would halt the stepped up escheat campaign.

The administration said it already owes \$10,000 in fees for money collected since the campaign got under way.

Twelve Cars Leave Tracks At Biloxi

BILLOXI Miss (AP)—One person was slightly injured and four others required emergency treatment when six cars of a 12-car Louisville and Nashville passenger train left the tracks here.

Frank B. Lenzie, 74, of Spokane was hospitalized for observation. He was treated for cuts on his forehead.

Four other persons including Lenzie's 72-year-old wife were treated for bruises and released.

Cause of the derailment, which occurred shortly before 8 p.m. Monday night has not been determined. The train originated in New Orleans with one section destined for New York and the other for Florida.

Crash-lands Plane With Jammed Gear

SCULTHORPE, England (AP)—A U.S. Air Force tanker plane crash landed with a jammed landing gear at the U.S. base here early Tuesday.

The pilot, Capt. Thomas S. Rogenski of Torrington, Conn., ordered three of the crew to bail out while he circled to use up fuel.

Assisted by the two remaining crewmen, Capt. John Stukas of Largo, Fla., and Sgt. Paul F. Sterba of Crystal Lake, Iowa, Rogenski landed the plane in a shower of sparks without major damage.

Of the three who bailed out, Airman Sidney A. Middle of Rock Valley, Iowa, injured a leg and was taken to the hospital.

Airman Grady Allen of Mobile, Ala., was treated for minor injuries and shock. Lt. Richard Millar of Marshalltown, Iowa, was unhurt.

8 CITIES TO GET FUNDS

HARRISBURG (AP)—Eight communities will receive the bulk of the five million dollars allocated by the Legislature for urban renewal. Gov. Lawrence announced Tuesday.

The total allocation fixed for Brownsville, Chester, Easton, Harrisburg, Philadelphia, Pittsburgh, Windber and York is \$2,747,386.

Lawrence said the eight communities have been working for several years on redevelopment and have developed master plans. An additional \$1,753,403 was tentatively earmarked for eight other communities expected to require state assistance in slum clearance by May 31. They are Bethlehem, Chambersburg, Darby Twp., Delaware County, Farrell, Meadville, Monessen, Pittston and Reading.

The governor warned, however, the latter eight communities may be replaced by projects in other communities which also are developing rapidly. No specific amounts were allocated for each of the communities in the second group.

Lawrence said \$300,000 is being reserved for redevelopment studies in new areas. Another \$85,000 is to be devoted to the administrative cost of the program. The remaining \$1,162,111 will be available to meet increased costs in some projects or for allocation to other projects as they become eligible.

Penalties Provided

Persons convicted of showing obscene movies would be subject to a fine not less than \$500 nor more than \$1,000 and/or imprisonment not exceeding six months.

A hearing on the law's constitutionality is scheduled March 9 in Dauphin County Court.

The Pennsylvania Ass'n. of Amusement Industries and William Goldman Theaters Inc., both of Philadelphia, and the 20th Century Fox Film Corp. contend it is unconstitutional.

Ask \$1,983 For Road Projects

The Hamiltonian Twp. supervisors voted to apply to the county commissioners for \$1,983 to purchase 2,000 tons of stone for use in various township construction work during the year at its monthly meeting in the Fairfield National Bank Monday evening.

The board, composed of George Stemberger, chairman, Stuart W. Stites, Lloyd Stites and Calvin Bream also agreed to appoint Fairfield fire police to serve as special school police for the Fairfield Joint School System.

Last Period Surge Gives Hanover 47-41 Decision Over GHS; Jayvees Lose

A run of nine straight points to open the final quarter gave the Hanover High Nighthawks (12-3) a come-from-behind victory over Gettysburg (8-5) Tuesday evening at Hanover as the second half race of the South Penn League got underway.

It was a thrilling nip and tuck battle most of the way with the Warriors holding a slight advantage throughout most of the first three periods. Going into the fatal fourth round the Forney-men were on top 36-32.

In the last frame Gettysburg managed but one field goal, that by Hardy Nichols, with less than three minutes of play remaining. Marian Dutterer and John Cromer were the big guns for the Nighthawks both in scoring and rebounding. Jim Heilman, the league's leading scorer, was held to five points by the Warriors but Dutterer and Cromer took over with a total of 34.

GHS In Lead
The first period found scoring at a minimum, Gettysburg taking a 12-7 lead after Greg Maitland broke a 6-6 deadlock with a pair of quick goals.

Gettysburg clung to a narrow margin during the first five minutes of the second quarter, Hanover overcoming a 17-14 deficit on a jump shot by Leister and two fouls by Dutterer with 2:40 remaining. It was the first lead for the Hawks since a 4-2 advantage in the opening frame.

Roger Ecker tied the score with a foul and Bob Furney netted a jump. Nichols won all the way down court for a lay-up before Cromer connected on a jump for Hanover. Ecker caged one of two free tosses and Dutterer tapped in a goal just as the buzzer sounded with the Warriors leading 22-22.

Both teams scored fast as the third period got underway with Cromer, Furney, Cromer and then Ecker landing shots. Heilman tied the count at 29-29 on a foul. Nichols hit on a long toss but Dutterer again knotted the score at 31-31.

With two and one half minutes remaining Mike Small and Nichols looped successive goals after which Leister and Furney matched free tosses.

A jump shot by Cromer, tap in by Dutterer, foul by Dumas, another tap by Cromer and lay-up by Dutterer sent Hanover surging to the front before Small ended the Warrior scoring famine with a foul. During the last three minutes Hanover slowed the game considerably and safely protected its lead, the final points by Furney with eight seconds remaining.

Furney and Nichols accounted for 13 and 12 points, respectively, for the Warriors. Dutterer swished 18 and Cromer 16 for the Hawks.

Hanover's Jayvees avenged a 26-25 setback sustained here by copping a 41-30 triumph in the preliminary. In the first period Hanover jumped to a 15-6 advantage and was never seriously threatened.

AUBURN NIPS GEORGIA TECH FOR 6TH TIME

By DON WEISS
Associated Press Sports Writer
Auburn has Georgia Tech's number and it may wind up costing the Ramblin' Wreck their first Southeastern Conference basketball title in 22 years.

With a 48-45 ball control victory Tuesday night, the Tigers made it six in a row against Tech over a 3-year span, boosted their home court winning streak to 28, and scrambled a SEC race Tech seemed to have nailed when it beat Kentucky for the second time last week.

Auburn beat Georgia Tech Jan. 19 in a game that didn't count in the SEC standings. Now Tech is the leader with a 7-1 record followed by Kentucky at 6-2, Auburn and Mississippi at 5-2, and Tulane at 4-2 Tech, sixth-rated nationally, has six conference games remaining in its bid for its first SEC championship since 1938.

Bradley Wins Again
Overall, Auburn now is 12-3 and Georgia Tech 16-3.

Bradley's second-ranked Braves padded their winning streak to nine and their overall record to 15-1 with an 83-80 victory at Seattle but tenth-ranked Texas A&M (13-2) and Memphis State (12-3) were beaten in other important Tuesday games.

Santa Clara (14-6) handed the Aggies a 66-55 whipping in the winup of the Texans' two-game California tour and Tennessee Tech nipped Memphis State 67-65 on Jimmy Hagan's basket at the buzzer.

Miami of Florida, No. 11 nationally won its 17th against two losses 90-79 over Rollins, and Notre Dame (12-6) led by sophomore John Dearnie's 20 points, snapped a three-game losing string with a 61-55 decision over Canisius.

NYU Wins
New York U., led by Russ Cunningham's 18 points, made it 10-2 and handed Duquesne (4-10) its sixth straight loss, 67-58. Syracuse won its seventh in 10 tries, nipping Connecticut 65-64.

George Washington rallying behind Dick Markowitz and Jon Feldman, handed Virginia Tech its first Southern Conference defeat 105-90, enabling idle West Virginia to regain the conference lead. North Carolina State, perking up after a dismal start, made it three straight with an 87-53 Atlantic Coast Conference rout of Virginia as Dan Englehardt scored 24.

Sophomore Dell Ray Mounts' 35 points triggered Texas Tech's 82-79 decision over Arkansas that cost the Razorbacks a chance to tie the Texas A&M for the Southwest Conference lead.

BRAVES SIGN ED MATHEWS

MILWAUKEE (AP)—Eddie Mathews, the home run king of the major leagues, signed his 1960 contract with the Milwaukee Braves Tuesday. He'll receive an estimated \$50,000.

"I'm certainly satisfied with the way things turned out," Mathews said with a wide smile. "It's a good contract."

Mathews met with John McHale, general manager of the Braves, at the team's offices in County Stadium in late afternoon. In 15 minutes Mathews emerged and said he was ready for spring training.

The estimated \$50,000 salary for Mathews makes him one of the highest paid performers in baseball.

In 1959 Mathews led the Braves and all other clubs in the majors with 46 home runs. He drove in 114 runs even though he batted second and finished the season with a .307 batting average. At 28 he has hit 299 home runs, more than any other player—including Babe Ruth when he was Mathews' age.

Mathews was named as the team's most valuable player for 1959.

TIGER JONES IS PICKED TO WIN

CHICAGO (AP)—Old pro Tiger Jones returns to the scene of his greatest ring triumph tonight as an 8-5 choice over Willie Greaves, 24-year-old Canadian middle-weight champion.

Five years ago, Tiger took on Sugar Ray Robinson as a 7-1 underdog at Chicago Stadium and handed the Harlem dandy, who was sniffing the comeback trail, one of his worst 10 round beatings. This launched Jones into a career as one of the most durable TV fight performers in the business.

Littletown, only unbeaten team in the Adams-Franklin Basketball League, virtually eliminated Bermudian as a contender for the Adams Division title by taking a 55-39 decision at East Berlin Tuesday evening. It was the 10th victory in a row for the Thunderbolts.

Jack Bream's team took an 8-3 lead in the first period and was never headed. Larry Weikert and Bob Benner hit the cords for 17 and 16 points in leading the Bolts. Craig and Tom Hardy netted 12 and 10 for Bermudian.

New Oxford took over undisputed possession of second place in the county circuit by drubbing Fannett-Metal 74-56 on the New Oxford floor. Jake Drivney's Colonials piled up a fool-proof 22-9 advantage in the first quarter and breezed through easily.

Homer Hafer, Phil Bankert and Steve Naylor combined for 56 points for the Colonials. Taylor of Fannett-Metal was the high man of the evening with 24.

Scotland shook off its losing ways by topping Fairfield 64-50 at Scotland.

The Cadets secured a 15-10 lead in the first period and led throughout. Dubose, T. Fochler, W. Boyd and Hollinger all scored in double figures for Scotland. Randy Inskip, Joe McCauslin and Jimmy Ruth summed 38 for Fairfield.

Greencastle whipped Quincy 63-52 and James Buchanan edged St. Thomas 60-55 in other league games.

Drop India, China From '60 Olympics

SQUAW VALLEY, Calif. (AP)—Nationalist China and India's one-man team are out of the Winter Olympics unless they can get a quick change in international federation rulings.
Banning of Nationalist China and India Tuesday dropped the number of competing nations for the Feb. 18-28 games to 31.
The International Ski Federation (FIS) ruled out skiers of both countries because they were not members of that organization. Previously the International Skating Union had denied Olympic participation for skaters from Nationalist China for the same reason. The FIS and ISU set the regulations for Olympic participation.

ROBINSON AND FULLMER TOP CHALLENGERS

NEW YORK (AP)—Sugar Ray Robinson and Gene Fullmer were ranked as co-holders of the No. 1 challenger's position to Champion Paul Pender in the latest middleweight ratings of Ring Magazine which also demoted ex-champion Floyd Patterson to No. 1 contender in the heavyweight class.
Ring recognized Pender as the new champion for his victory over Robinson in Boston and also honored the Brookline, Mass., boxer as "Fighter of the Month" for January.

For the first time since it paired Zora Folley and Eddie Machen as top contenders for the heavy weight crown two years ago, the magazine came up with a tie between challengers Robinson, the 39-year-old ex champ and Fullmer, the National Boxing Assn. champion from West Jordan, Utah, were given equal billing.
Patterson, still waiting for a return shot at Ingemar Johansson for the world heavy crown was spotted No. 2 behind Zora Folley who defeated Eddie Machen recently.

Henry Hank of Detroit moved into the No. 1 position in the middleweight class by stopping Jesse Bondy.

Benny Paret of Cuba took over the No. 2 spot in the welter class on the strength of his second victory over Charlie Scott.

CLEARING WAY FOR RETURN HEAVY BOUT

By ED CORRIGAN
Associated Press Sports Writer
NEW YORK (AP)—The off again-on again maybe maybe no Ingemar Johansson-Floyd Patterson return bout for the world heavyweight championship was practically a reality today.

Not quite, though. But it appeared that most of the major stumbling blocks had been cleared and that the new promoters, Feature Sports Inc., merely had to sit out the required waiting period for a license to stage the bout.

Going Home Happy
Johansson, who lifted the crown from Patterson last year, and his adviser Edwin Ahlquist headed home for Sweden in a happy frame of mind Tuesday night.

"I'm confident the contract will be signed when I return to the U.S. later this month," beamed Johansson.

"I talked to the Feature Sports people and the contract is in the process of being written. Everything looks fine for the fight in June."

Ingo will be back by Feb. 20 for a TV show. He thinks the contracts will be signed a few days later.

No Definite Site
While Ingo settles some European business matters the wheels are grinding this side of the Atlantic to license Feature Sports, headed by Roy Cohn, former counsel for the late Sen. McCarthy's investigating committee.

A spokesman for the New York State Athletic Commission said the application for the license is being processed.

"It generally takes four to five weeks to complete," he said. "We now in the third week."

While the promotional side is practically cleared up there still is no definite site for the bout. Ingo is on record as wanting it in New York. But Los Angeles, Milwaukee, Chicago, Dallas and Philadelphia all are bidding for the

Once beaten Hanover Junior High took a 6-3 lead in the first quarter and went on from there to defeat the Gettysburg hoopers 37-21 here Tuesday evening in a South Penn Junior High League game.

Coach Carl Schoenborn's outfit managed but two field goals in the first half. Steve Olson and Jay Hartzell hitting in the second quarter, and trailed 18-9 at half time.

Bowman who tabbed 15 points for the visitors netted five goals and a foul during the first two periods. In the last half Sandruck kept his team in front with five goals.

The loss was the fifth against a pair of wins for Gettysburg. Hanover is 5-1.

Don Bickel's junior varsity put on one of its best performances of the season in coping the preliminary 29-20 Doug Bream and Rick Finkbeiner netted 14 and nine points respectively, to lead the winners. The Bickel-men led 25-10 going into the final frame when the reserves played most of the remaining minutes.

On Friday the locals meet Faust at Chambersburg in another league doubleheader.

BOY PLAYING "SWAMP FOX" REPROACHFUL

INDIANAPOLIS, Ind. (AP)—If 6-year-old Timothy Brennan is to grow up, his neighbors had better learn the swamp fox call.

Timothy and his three brothers were playing "swamp fox" Monday evening near their suburban home. The idea was for Timothy to hide in the woods, and the others would find him by following his call of the swamp fox.

The swamp fox call is sort of a howl, like—well, like the swamp fox.

Timothy howled and howled. Nobody heard him.

Volunteers Search

Before long about 250 volunteers were out tramping through the woods looking for Timothy. They found him four hours later, chilled but unafraid, and sound asleep on a knoll.

"I called until I was hoarse," he told the searchers reproachfully.

Timothy's parents, Mr. and Mrs. John R. Brennan, weren't too surprised at the youngster getting lost. Once he took the wrong bus at school and wound up in the neighboring county.

Asked why he didn't notice he was on the wrong bus, Timothy pondered and said: "I wondered who all those strangers were."

Is Appointed To Armistice Group

SEOUL, Korea (AP)—The U. N. Command has appointed Brig. Gen. Sherburne Whipple Jr. of San Antonio, Tex., to the Military Armistice Commission.

Whipple replaces Brig. Gen. John A. Berry of Carlisle, Pa., who leaves Korea after completing his tour of duty Feb. 22.

Berry, who has been deputy chief of staff of the U. S. 8th Army, will become division artillery commander at the 1st Infantry Division Headquarters, Ft. Riley, Kan. Whipple is chief of staff for the U. S. Military Advisory Group in Korea.

MANY STARS TO PLAY HERSHEY

HERSHEY, Pa. — One of the most exciting moments of Friday night's "Biggest Show Of Stars For '60, Winter Edition," at Hershey Sports Arena, will be the appearance of England's number one singing sensation — Cliff Richards.

Still in his teens, Richards has achieved the number one spot in his own country and with his two releases in the United States, he's well on his way to the top of the American recording ladder.

His recording manager, the British musician, Norrie Paramor, calls the Richards vocals a "thrilling sound." He can cope with the beatiest of rock 'n' roll tunes in a style which is second to none and can also handle the tenderest of ballads with equal conviction. His first recording, "Living Doll," gained widespread popularity and his latest single, "Travelin' Light," is beginning to travel fast to the top of the charts.

The feminine touch will be provided by pretty Linda Laurie, the talented youngster from Brooklyn who took the nation by storm last year with her entertaining record "Ambrose," which showed Linda's innate talent for humor. Now she is winning the praise of fans and critics with her brand new release "All Winter Long," backed by "Stay With Me." This time, it's the singer Linda Laurie who is getting the applause, proving that her talents are unlimited.

These two artists will share the spotlight with other top name personalities such as Frankie Avalon, Clyde McPhatter, Bobby Rydell, Johnny and the Hurricanes, the Crests, Freddy Cannon, Sammy Turner, the Isley Brothers, the Clovers, Dick Caruso, emcee Harold Cromer and

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — President Charles de Gaulle and President Eisenhower have in common a remarkable quality which has served them well in critical moments. It is restraint.

With great calmness and self-confidence De Gaulle has just smashed the greatest threat to his presidency and the continued existence of the French Republic: The revolt in Algiers.

Eisenhower, without fireworks and practically without raising his voice, has handled one crisis and peril after another during his seven years in the White House.

Where do they get this quality of restraint? There are several factors, of course. For instance, their individual characters and philosophies; the fact that both grew up in a Democratic tradition. But there seem to be others.

"Used To Crises"

Perhaps, because both had gained so much self-assurance as military leaders, neither felt it necessary to prove his strength or toughness by belligerency when faced with crises in their political careers. They had become used to crises.

Unlike politicians whose prestige was derived from their office, Eisenhower and De Gaulle had built up a huge backlog of public confidence in themselves as military men.

Both therefore were in a position to rely on their prestige outweighing and finally ending in their favor the problem that faced them.

Without such pre-political prestige, and the self-assurance acquired long before, they might have felt it necessary to assert their power by force when confronted with a challenge to their political authority.

Cites Two "Monsters"

This may explain in part why two such political monsters as Hitler and Mussolini depended upon force for their solutions and made a religion of military action.

Neither of them came to power through previous military prestige but, in fact, had only humble and insignificant military careers.

Unless there is another war, future De Gaulles and Eisenhowers are apt to be few and far between if only because the kind of prestige they got can come to military men only in war.

It is easy to recall some of Eisenhower's demonstrations of restraint.

The first was soon after he took office in 1953 and Sen. Joseph McCarthy attacked him. McCarthy, in pitting himself against Eisenhower, was relying on what he thought was the prestige he had won as a Communist-hunter.

Eisenhower could have fought back. Instead, he depended on public confidence in him and let his aides challenge McCarthy in a public showdown which steadily and surely eroded McCarthy.

Again Eisenhower, despite the

FEW CLUES IN TRUCK BLASTS

PORTLAND, Ore. (AP)—There were no arrests and few leads in the explosions that ripped 10 trucks used to haul for Portland's two struck daily newspapers, police said Tuesday.

"This was the work of someone experienced in handling dynamite," said Police Lt. Dean Blackwood, who defused one bomb that failed to explode.

The Sunday night blasts tore apart four trucks parked beside a warehouse here and six parked at a warehouse in nearby Oregon City. They were owned by firms which do contract hauling for the Oregonian and the Oregon Journal, struck since Nov. 10 by the stereotypes Union.

The Portland inter-union newspaper strike committee said it was shocked by the violence and matched the city council's \$1,000 reward for the arrest of the dynamiters.

The explosions at the Oregon Film Service warehouse here followed by minutes those at the Wynmore Trucking Co. in Oregon City.

Murchisons To Buy Young's Interests

NEW YORK (AP)—The Murchison interests of Texas said Monday they will buy the late Robert R. Young's interests in Alleghany Corp. for 10 million dollars.

A Murchison spokesman said Texas did not plan to seek control of Alleghany, a big holding company that controls the New York Central Railroad and Investors Diversified Services, Inc., of Minneapolis.

Clint W. Murchison, Dallas oil man, will make the purchase in a few days from Mrs. Anita O. Young, widow and sole executor of the estate of Young. Young killed himself Jan. 15, 1958.

Cheap Insurance For Some Areas

NEW YORK (AP)—Owners of small economy cars will be given a 10 per cent discount on automobile insurance premiums by more than 400 insurance companies, it was announced Tuesday.

The announcement was made by the National Bureau of Casualty Underwriters and the National Automobile Underwriters Assn., which said they have asked insurance supervisory authorities in 43 states to approve the discount starting March 1. Approval will be sought later in other states.

The 10 per cent discount also will apply to two-car families already getting a 25 per cent credit, and also to autos eligible for the 10 per cent driver education rate credit where there are male drivers under 25 years of age.

Small cars of the sports car type are not eligible for the discount, the announcement said.

PARIS (AP) — Brigitte Bardot returned to the film studio Monday for the first time since giving birth to a son, Nicolas, two weeks ago. The blonde star started rehearsals for "La Verite" (The Truth).

LONDON (AP) — Prime Minister Harold Macmillan's Conservative government will ask Parliament to approve Britain's biggest peacetime defense budget to improve the nation's conventional arms without sacrificing its nuclear arsenal.

The proposed budget to be presented in the House of Commons later this month, would boost Britain's defense bill by 120 to 150 million pounds — 336 to 420 million dollars — and bring it to about \$4,564,000,000.

CAIRO (AP) — The 12,192-ton British tanker Hemiplecta ran aground in the Suez Canal Tuesday 20 miles north of Suez. The grounding halted 24 ships in a northbound convoy behind her.

LONDON (AP) — Big Ben's tower has developed a slight list. A spokesman for the Ministry of Works said the 317-foot tall clock tower looming over the Houses of Parliament is four inches out of line. "There is no need for alarm," the spokesman said, "but we are keeping an eye on the matter."

ROME (AP) — Trans World Airlines today claimed a new record for nonstop commercial flight between New York and Rome. 7 hours 43 minutes by one of the line's Boeing 707 jets. Bad weather forced the big airliner to pass up a scheduled stop at Paris, and it arrived in Rome about two hours ahead of schedule.

ELLENVILLE, N.Y. (AP) — There hasn't been a police court case in this Catskill Mountain village for four months. So acting Police Justice Alex J. Nirenberg asked the village board of trustees Monday night to take back \$125 — about a third of the annual salary of \$375. It wasn't fair to the taxpayers to accept the money for doing nothing, he said. The trustees agreed.

LAS VEGAS, Nev. (AP)—An expensively furnished restaurant that opened less than a week ago was wrecked by fire and an explosion Monday night. Damage sought later in other states.

The 10 per cent discount also will apply to two-car families already getting a 25 per cent credit, and also to autos eligible for the 10 per cent driver education rate credit where there are male drivers under 25 years of age.

Small cars of the sports car type are not eligible for the discount, the announcement said.

TROOPS ALONG EGYPT BORDER

CAIRO (AP) — Egyptian army troops Tuesday were reported to have taken up positions along the U. N.-patrolled Egyptian-Israeli frontier in the Sinai Desert as a result of clashes between Israeli and Syrian troops.

The newspaper Al Ahran reported Egyptian troops have moved up all along Israel's western desert frontier in the past three days. The paper said the Egyptian army had been placed on a state of emergency so that it and forces in the Syrian province of the United Arab Republic would be "fully prepared to meet all eventualities." All military leaves were cancelled.

In Oslo, the Norwegian army command announced Norwegian troops serving with the U.N. force would be pulled out immediately if serious fighting developed between the U.A.R. and Israel. The Norwegian command said its troops were on the Egyptian-Israeli border for police duty only.

Daily clashes since Friday between Israeli and Syrian troops prompted the dispatch of the Egyptian forces to the Sinai frontier, where men of the U.N. Emergency Force maintain preventive patrols as an aftermath of the Israeli invasion of 1956.

So far there has been no action on the Israeli-Egyptian frontier. Four days of shooting which renewed fears of a Middle East outbreak have been limited to Israel's northeast frontier, where a demilitarized zone separates Israel and the Syrian province of the U.A.R.

was estimated by the operators at a million dollars. No one was injured.

The restaurant, named the Aku Aku, was next door to the Stardust hotel.

SAPPORO, Japan (AP) — Rescue workers searched the smoldering blast area of the Yubari coal mine Tuesday for nine missing miners.

One more body was recovered, bringing the total known dead to 34—including one rescue worker.

Twenty of 62 men inside the mine when a gas explosion occurred early Monday managed to crawl to safety or were rescued.

HANOVER, Mass. (AP) — A special town meeting voted 440 to 140 Monday night to provide individual shower booths and dressing compartments for girls attending Hanover's new high school.

After the school opened Dec. 2, parents protested when they learned there were no partitions in the shower section reserved for their daughters.

In Oslo, the Norwegian army command announced Norwegian troops serving with the U.N. force would be pulled out immediately if serious fighting developed between the U.A.R. and Israel. The Norwegian command said its troops were on the Egyptian-Israeli border for police duty only.

Daily clashes since Friday between Israeli and Syrian troops prompted the dispatch of the Egyptian forces to the Sinai frontier, where men of the U.N. Emergency Force maintain preventive patrols as an aftermath of the Israeli invasion of 1956.

So far there has been no action on the Israeli-Egyptian frontier. Four days of shooting which renewed fears of a Middle East outbreak have been limited to Israel's northeast frontier, where a demilitarized zone separates Israel and the Syrian province of the U.A.R.

was estimated by the operators at a million dollars. No one was injured.

The restaurant, named the Aku Aku, was next door to the Stardust hotel.

SAPPORO, Japan (AP) — Rescue workers searched the smoldering blast area of the Yubari coal mine Tuesday for nine missing miners.

One more body was recovered, bringing the total known dead to 34—including one rescue worker.

Twenty of 62 men inside the mine when a gas explosion occurred early Monday managed to crawl to safety or were rescued.

HANOVER, Mass. (AP) — A special town meeting voted 440 to 140 Monday night to provide individual shower booths and dressing compartments for girls attending Hanover's new high school.

After the school opened Dec. 2, parents protested when they learned there were no partitions in the shower section reserved for their daughters.

Why "Good-Time Charlie" Suffers Uneasy Bladder

Twice eating or drinking may be a source of mild, but annoying bladder irritations—making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait-try Doan's Pills.

Doan's Pills act 3 ways for speedy relief: 1—They have a soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, head aches, muscular aches and pains. 3—A wonderfully mild diuretic action thru the kidneys, tending to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. New, large, economy size saves money. Get Doan's Pills today!

Seek Injunction To Stop Strike

PHILADELPHIA (AP)—The National Labor Relations Board has asked U. S. District Court for an injunction to halt a strike at the E. A. Gallagher and Sons trucking firm.

In a petition filed Monday, the NLRB asked the court to grant a petition under the "hot cargo" provision of the new Landrum-Griffin Labor Act.

The NLRB said the strike began Jan. 6. It claimed Local 107 of the Teamsters Union attempted to obtain a contract which would prevent the firm from continuing to use independent truck - owner operators for hauling freight in the Philadelphia area.

The request was taken under advisement by Judge William H. Kirkpatrick.

Consider Naming Span After Senator

HARRISBURG (AP)—The newly opened South Bridge between Harrisburg and its West Shore suburbs would be named after State Sen. George N. Wade (R-Cumberland) under a resolution before the Senate.

The proposal, introduced Monday, was sent to the Rules Committee. It was sponsored by Republican Senators J. Irving Whalley, Somerset; Thomas A. Ehrgood, Lebanon; George B. Stevenson, Clinton; and Albert Pechan, Armstrong.

Wade is chairman of the Senate Highways Committee.

The resolution requires approval by both houses.

HUNTINGTON, N.Y. (AP)—The largest commercial building in this North Shore Long Island community and a store-and-office building next door were destroyed by fire early Tuesday. Huntington Fire Chief Anthony Uvena said the loss would be "easily in the millions."

FOUR MARINES DISCHARGED FOR STEALING

IWAKUNI, Japan (AP)—Four U. S. Marines have pleaded guilty to the theft of pistols and ammunition from Iwakuni Marine Corps Air Station.

A general court-martial ordered dishonorable discharges for each and prison sentences ranging from three to eight years.

The four, all assigned to the station, were Pfc. Charles R. Schuckman, 23, La Crosse, Kan.; Pfc. Jerry A. Sizemore, 20, Peach Bottom, Pa.; Pvt. James A. Johnson, 19, Florin, Calif.; and Cpl. Joseph A. Mosier, 20, of Oakmont, Pa.

Schuckman was sentenced to eight years at hard labor, Sizemore to six, Johnson to four, and Mosier to three years.

The sentences also included forfeiture of all pay and allowances and reduction to the lowest enlisted rank.

Details of the thefts and disposition of the pistols and ammunition were not announced.

The sentences are subject to review by the commanding general of the 1st Marine Aircraft Wing at Iwakuni and the office of the Navy judge advocate general.

WHERE HAVE I BEEN ALL YOUR LIFE?

"I've been deposited in the bank, earning money for the people who deposited me there. Yes, I've been deposited many times, by many people; for cash doesn't stay idle, it circulates — while your savings account balance stays put, growing and growing for your future needs. And the more frequently you deposit your dollars the greater the growth. Why not start now?" (And with our bank, we suggest.)

BOLT LEADER FLEES ALGIERS

ALGIERS (AP)—A fellow insurgent said Tuesday Joseph Ortiz has fled to a secret command post outside Algiers to continue the fight against President Charles de Gaulle's policy of self-determination for Algeria.

Ortiz was the political leader of the eight-day rightist uprising which collapsed Monday under army pressure. A warrant is out for his arrest.

Jean-Maurice Demarquet, a reserve lieutenant and former deputy in the National Assembly, told newsmen Ortiz escaped from the Algiers insurgent camp over the rooftops at 4 a. m. Monday and went to the secret command post.

Wearing a paratrooper combat uniform and a cartridge belt stamped "U. S.," Demarquet received newsmen in a Moorish-style villa on the hillside above Algiers.

The newsmen were led to the secret rendezvous from a hotel where they had been asked to gather.

Asked why he surrendered within hours of telling a cheering crowd he would "fight to the death," Demarquet said the decision to give up had been taken to keep the cohesion of the troops. He denied there had been any discord in the insurgent camp.

SULZBACH - Rosenberg, Germany (AP)—A U. S. sergeant on maneuvers was killed Tuesday when his truck skidded off an icy road. This brought the casualty toll of "Operation Wintershield" to two dead. Eleven have been injured. "Aggressor" forces in these German-American war games continued to advance, but NATO troops toughened their resistance with a new defense line. O. Henry said that New York City was "an aviary overstocked with jays 'a country bumpkin who is a chatterbox.'" 7:00—News of the World 7:05—Weather 7:10—State News 7:15—Hometown Story—AAUW 7:30—Waltz Time 8:00—World News 8:05—Interlude 8:15—Organaires 8:30—Albumtime 9:00—World News 9:05—Music of the Masters 10:00—World News 10:05—Drifting and Dreaming 11:00—World News & Sports 11:15—Sleepytime Serenade 11:35—Inspiration Time 12:00—Sign Off

Seven Marines Are Demoted

LONDON (AP)—Seven of the U.S. Embassy's 15 Marine guard have been fined, reduced in rank and ordered sent home by a court-martial for selling duty-free cigarettes in Britain.

An embassy spokesman declined Monday night to identify the Marines but said their ranks ranged up to sergeant.

The rank deductions will remain in effect for an "extensive number of years," he added.

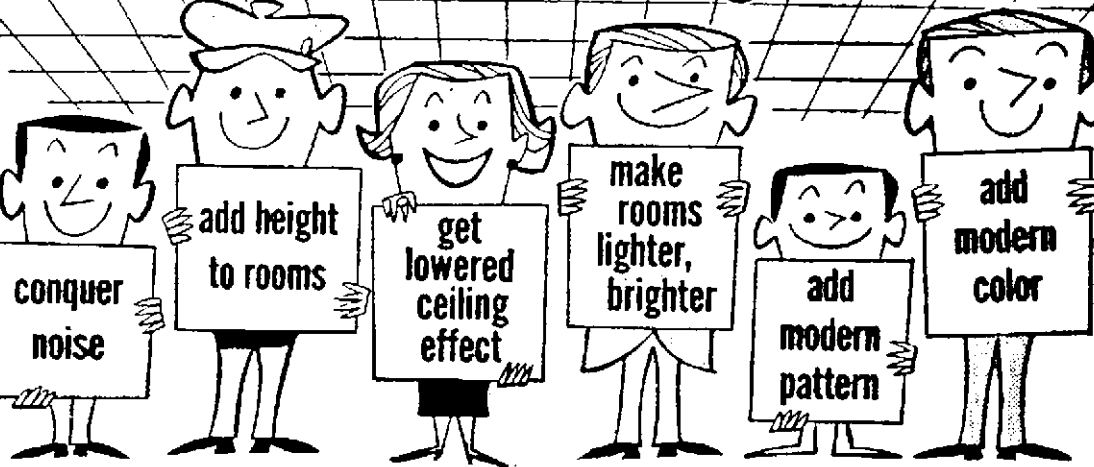

The sentences are subject to review by higher military authorities.

The Marines' part in the case was brought out in a London magistrate's court in which a 33-year-old Dutchman, Johannes Lambertus Van Veggel, pleaded guilty to possessing eight bottles of whisky and more than 80,000 cigarettes on which duty had not been paid.

He said he bought some of the cigarettes from embassy Marines. Van Veggel's wife was employed as a telephone operator at the embassy.

The magistrate fined him \$686, the amount of the evaded tax.

FFA HEAD IS ASKED TO QUIT

PITTSBURGH (AP)—Allegheny Airlines Pilots is asking the parent Airlines Pilots Assn. to press for the resignation of Elwood Quesada as head of the Federal Aviation Agency.

Carl Colbarth, chairman of the master executive council of the Allegheny Pilots section, said Monday the request was made because Quesada blamed pilot error for the crash of an Allegheny Airlines plane near Williamsport, Pa., on Dec. 1. The crash killed 25 persons.

According to Colbarth, Quesada told a weekly magazine and a television network that the pilot deviated from an approved airport approach, causing the crash. Colbarth said the FAA is not responsible for investigating airline crashes, and that Quesada has no right to place blame. He said Quesada's remarks were premature and unfounded.

Colbarth, who was requested by the Civil Aeronautics Board to assist in the investigation, said the CAB has complete charge of the investigation, which is not yet complete.

Announces 1960 Totem Pole Calendar

William Putch, producer-director of the Totem Pole Playhouse at Caledonia State Park, has announced his 1960 summer season early this year to enable groups and clubs to plan early for summer theater parties. The schedule as announced will be presented unless some later Broadway releases become available.

The season will open on Saturday, June 25, with the William Gibson comedy-drama "Two for the Seesaw," which will also play the week of the 27th; week of July 4, "The Golden Fleece," a farce about the Navy overseas; week of July 11, "Third Best Sport," the Celeste Holm-Theater Guild comedy of last season; week of July 18, a new musical version of "Charley's Aunt"; week of July 25, "The Solid Gold Cadillac"; week of August 1, "Picnic"; week of August 8, "Tunnel of Love"; week of August 15, "The Warm Peninsula," the Julie Harris hit play of this season; week of August 22, George Gershwin theater parties are requested to write Mr. Putch, care of the Goodman, and the week of August 29, "A Dash of Bitters," an exciting mystery.

FAIRLANE 500 CLUB SEDAN

SAVE THE FULL-SIZE WAY!
The new Fairlane 500... bigger, finer in every way... yet priced up to \$142 less* than last year!

How about that hood, styled sweet and low so you see where you go. How about fine-car features like the cigarette lighter and color-keyed steering wheel, things you'd think would cost extra! And room... up to four inches more for shoulders! And new wide tread that hugs the curves! Yet the price is hundreds less than cars that aren't nearly as fine! So come drive this biggest of buys in the large-size field!
